**CDC STATEMENT**

CDC import permit is not required for this shipment. The material is not known or suspected to contain an infectious biological agent. Specimen samples are collected as part of a clinical trial. All patient subjects are screened as a requirement to participate in the trial.

(Human material that was neither inoculated with nor exposed to infectious agents of agricultural concern, including zoonotic agents; the material contains no animal or non-human primate material and is not of tissue culture origin.) These specimens are for medical laboratory testing purposes and for research use only in conjunction with a pharmaceutical clinical trial.

**Packed in compliance with IATA Packing Instruction 650.**
