### ***General Office Information:***

---

#### **Network Connection:**

Internal visitors can connect via network cable or wireless. External visitors wishing to connect via WiFi will need to obtain a temporary Guest Account. Please request this from your local IQVIA Laboratories host.

#### **Printing Facilities on site:**

Multiple black and white and color multifunction printers are available on the ground and first floor print rooms. All can print, photocopy and scan. Internal visitors can log in with their company ID cards or manually log in with their User ID and password. External visitors should request assistance from their IQVIA Laboratories host. In alignment with IQVIA ESG policy, we ask you to carefully consider the need to print items. Printers will default to black and white, double sided printing and printers are equipped with paper from recycled sources.

#### **Access and Security:**

There is 24-hour presence for security at the main reception 7 days a week. Please enter through the main entrance and enquire at reception.

Company ID cards will require upgrade to allow site access. Please seek assistance from your local IQVIA / IQVIA Laboratories host to request this for extended or regular visits.

Photographic identification is required for all vendors, engineers, customers and any other non-staff visitors (e.g. Driver's License, Company ID, Citizen ID card, Visiting card, passport etc.) on arrival at reception before they can be provided with a visitors' badge. The visitors badge should be worn at all times.
